# Restricted Route Map October 2016

## Vehicle Routing Information

Northamptonshire County Council and Daventry District Council suggest all site occupiers to supply this document to all H.G.V. drivers servicing DIRFT.

This advice relates to acceptable routing for H.G.V. vehicles to and from DIRFT which drivers are requested to use.

- H.G.V. vehicles should use the motorway network and trunk roads to access DIRFT.
- Vehicle weight restrictions ban the use of the roads coloured (red) on the map by vehicles having a gross weight exceeding 7.5 tonnes.
- A low bridge height limit of 3.8 metres exists on the A428 West of DIRFT, as illustrated by ( ).

Note: Recommended routes coloured green & blue are free of any height or weight restrictions.
